

TTDA Whistleblower Hotline

TTDA is committed to conducting its affairs to the highest standards of ethics, integrity, fairness and professionalism.

TTDA's viability and integrity depends on the protection of TTDA's critical assets, including its employees, physical assets, and its information.

TTDA's communication, internal controls, and processes constantly adapt to the company's changing requirements and objectives as well as to the changing market place. TTDA's internal control and operating procedures are intended to detect and to prevent or deter improper activities.

TTDA has the responsibility to investigate allegations of suspected improper activities and to take appropriate actions.

Your willingness to come forward and report unethical behaviour, alleged misconduct or improper activities is important to us.

Employees, customers, suppliers, collaborators, business partners and others related to TTDA, are encouraged to come forward with their concern through the Whistle-blower Hotline at compliance@toshiba-ttda.com
